

JV's Full-Length Test Series (FLT) For UPSC CSE 2022

JV's Full-Length Test Series (FLT) for UPSC CSE 2022 is a comprehensive program to help the aspirants to acclimatize themselves to the UPSC Civil Services Exam Pattern. Mock tests are prepared by experts after careful analysis of previous years' question papers and trends. The mixture of questions will be 60% static GS Section and 40% Current Affairs.

These tests have been planned in a manner that a student will get sufficient time to cover the relevant section of the syllabus before the date of the test. These simulation tests will be strictly according to the UPSC pattern having 100 questions per test. Though students can write tests at their own convenience, we would, however, expect them to be punctual.

Starting Date: - 18th April, 2022
