Political Science and International Relations (PSIR), is a popular UPSC optional subject for the UPSC Mains Exam as it overlaps with the important topics of GS Paper-II. PSIR is a difficult subject, but it is also one of the most vital for aspiring bureaucrats.

The Mains Examination is a critical stage and top scores in this stage decide the candidate's future into the bright spot of Civil Services. Due to the vast UPSC syllabus, aspirants often find themselves in such a critical situation, where they run out of time to develop quality answer writing skills.

Keeping these situations in mind, JV's IAS has launched test series of PSIR for 2023-24. It is helpful in developing Answer Writing Skills, Structure & Presentation of the answer, Understanding of keywords, and providing real timing of the actual UPSC Examination.
